

For one year from date of installation, Port-A-Cool, LLC, warrants any original component part or parts of the KuulAire™ evaporative unit found, upon examination by factory authorized personnel, to be defective in material or workmanship. Due to warranty limits placed on our component parts by the original manufacturers, our warranty is limited on manufactured units and their original component parts, as well as replacement parts to a total of one (1) year after the date of installation.

If said equipment develops such defects within this period, it will be repaired or replaced at our option. For breach of any implied or written warranty on this product, Port-A-Cool, LLC, shall not be liable for any incidental or consequential damages.

This warranty is declared void if the equipment is found to have been misused, abused or tampered with by unauthorized personnel. Do not use cooler cleaners, cooler treatments, or other additives in this portable evaporative cooler. The use of any of these products will void your warranty and may impair the life of your evaporative cooler.

All transportation charges on parts submitted for replacement or repair under this warranty must be borne by the purchaser.

To obtain service under this warranty, contact the dealer where you purchased your evaporative cooler. As a final step, if you cannot locate your dealer, please contact customer service at Port-A-Cool, LLC. Please include your name, address and ZIP code, the model number and serial number of your evaporative cooler, date of installation, and a description of your problem.
