KuulAire™ 45

The KuulAire™ 45 (KA45) evaporative cooling unit from Port-A-Cool, LLC is a portable unit perfect for spot cooling in a home, hobby workspace or even on a small patio. The KuulAire KA45 utilizes the most technologically advanced cooling pads available, and water to cool the air naturally and economically. Using the same electricity as a single light bulb, the KuulAire KA45 is incredibly efficient. This compact unit is ideal for use in smaller spaces, rolls easily from room-to-room and doubles as an evaporative cooler or simple fan.

Features:

- 200 sq. ft. cooling capacity
